JINGLE BELLS

Jingle bells, jingle bells,
jingle all the way
Oh what fun it is to ride
in a '57 Chevrolet
Jingle bells, jingle, jingle,
jingle all the way
Oh what fun it is to ride
in a one-horse open sleigh

Dashing through the snow
(he's dashing)
In a one-horse open sleigh
(he's dashing)
Over them fields we go
(he's dashing)
Laughing all the way
(now he's laughing)
Bells on bob-tails ring
Making them spirits bright
What fun it is to ride and sing
A sleighing song tonight

Jingle bells, jingle, jingle,
jingle all the way
Oh what fun it is to ride
in a '57 Chevrolet
Jingle bells, jingle, jingle,
jingle all the way
Oh what fun it is to ride
in a one-horse open sleigh

Dashing through the snow
in a one-horse open sleigh
Over them fields we go
Laughing, laughing,
laughing, laughing
Bells on bob-tails ring
Making them spirits bright
What fun it is to ride and sing
A sleighing song tonight

Jingle bells, jingle, jingle,
jingle all the way
Oh what fun it is to ride
in a '57 Chevrolet

Jingle bells, jingle, jingle,
jingle all the way
Oh what fun it is to ride
in a one-horse open sleigh

BOOGIE WOOGIE SANTA CLAUS

Well looky here Jack
There's something down the track
He's got rhythm in his feet
But nothing in his sack
The boogie woogie Santa Claus
The boogie woogie Santa Claus
Boogie woogie Santa comes to town
every Christmas day

Well he lives up in a mountain
like a hermit in the cave
He never had a haircut
he never took a shave
The boogie woogie Santa Claus
Boogie woogie Santa Claus
Boogie woogie Santa comes this time
every Christmas day

Well it's rock rock rock Mr. Santa
Jump jump jump Mr. Santa
Well jump

Got no presents for your tree
No candy for your socks
When he starts to boogie
the whole town rocks

Mama get your hat
Put your best dress on
We're gonna jump for joy
on the Christmas morn
The boogie woogie Santa Claus
The boogie woogie Santa Claus
Boogie woogie Santa
Boogie all your blues away

Well it's rock rock rock Mr. Santa
Jump jump jump Mr. Santa Claus

Well the boogie woogie Santa
Will boogie all your blues away

WINTER WONDERLAND

Sleigh bells ring
Hey, are you listening?
In the lane
Snow is glistening
A beautiful sight
We're happy tonight
Walking in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He sings a love song
As we go along
Walking in a winter wonderland

In the meadow
We can build a snowman
And pretend that he is Parson Brown
He'll say, "Are you married?"
We'll say, "No man"
But you can do the job
When you're in town

Later on
We'll conspire
As we dream by the fire
To face unafraid
The plans that we've made
Walking in a winter wonderland

In the meadow
We can build a snowman
And pretend that he's a circus clown
We'll have lots of fun with mister
snowman
Until the other kiddies
knock him down

When it snows
Ain't it thrilling?
Oh your nose gets a chilling

We'll frolic and play
The Eskimo way
Walking in a winter wonderland
I really mean it
Walking in a winter wonderland
Put on your jacket
Walking in a winter wonderland
Walking in a winter wonderland

BLUE CHRISTMAS

I'll have a blue Christmas
without you
I'll be so blue
just thinking about you
Decorations of red on a green
Christmas tree
They just won't mean a thing
pretty baby
Only if you're not here with me

And when those white snowflakes
start falling
Well it's when those blue memories
start falling
You'll be doing alright
With you're Christmas of white
But I'll have a blue, blue, blue,
blue Christmas

Oh baby I'm gonna have a blue
Christmas
Man that's certain
And when that blue heartache
starts hurting
You're gonna be doing alright
With you're Christmas of white
But I'll have a blue, blue, blue,
blue Christmas

SANTA CLAUS IS BACK IN TOWN

(Christmas, Christmas, Christmas)
Well, it's Christmas time pretty baby
And the snow is coming down
Well, it's Christmas time pretty baby
And see that pretty snow
falling on the ground
Aw, you be a real good little girl
Santa Claus is back in town

Got no sleigh with reindeer
No pack on my back
You're gonna see me drive up
in a big black Cadillac

Whoa oh it's Christmas time
pretty baby
And the snow is fallin' on the ground
Well, you be a real good little girl
Cause Santa Claus is back in town

Hang up your fishnet stockings
Turn off the light baby
Santa Claus is comin'
Down your chimney tonight

Whoa oh-oh-oh it's Christmas time
pretty baby
And the snow is fallin' down
Well, you be a real good little girl
Santa Claus is back in town
(Christmas, Christmas, Christmas)

BABY IT'S COLD OUTSIDE FEATURING ANN-MARGRET

I really can't stay
(But baby it's cold outside)
Oh I gotta go away
(Baby it's cold outside)
This evening has been
(Been hoping that you'd drop in)

So very nice
(I'll hold your hands they're just like ice)
My mother will start to worry
(Hey beautiful, what's your hurry?)
Daddy will be pacing the floor
(Listen to that fireplace roar)
So really I'll better scurry
(Oh beautiful please don't hurry)
Or maybe just a little bit more
(Oh put some records on while I pour)
The neighbors might think
(Yah, but it's bad out there)
Hey, ah what's in this drink?
(No cabs to be had out there)
I wish I knew how
(Your eyes are like stardust now)
To break this spell
(I'll take your hat, your hair looks swell)
I want to say no, no, no sir
(You mind if I move in closer?)
At least I'm gonna say that I tried
(What's the sense in hurting my pride)
I really can't stay
(Don't hold out)
Baby it's cold outside

I simply must go
(But baby it's cold outside)
The answer is no
(But baby it's cold outside)
The welcome has been
(How lucky you dropped in)
So nice and warm
(Just look out the window, baby
look at that storm)
My sister will be suspicious
(Gosh your lips look delicious)
My brother will be there at the door
(Like waves upon a tropical shore)
My maiden aunt's might is vicious
(Gosh your lips are delicious)
Maybe just a few minutes more
(I never saw such a blizzard before)
Oh I've got to get home
(But baby, you're gonna freeze out there)
Hey, I need a comb

(It's up to your knees out there)
You've really been grand
(I thrill when you touch my hand)
But don't you see
(How can you do this thing to me?)
There's bound to be talk tomorrow
(Well you think of my lifelong sorrow)
At least there'll be plenty implied
(If you caught pneumonia and died)
I really can't stay
(Get over that old doubt)
Baby it's cold outside

(EVERYBODY'S WAITIN' FOR) THE MAN WITH THE BAG

Old Mr. Kringle is soon gonna jingle
the bells that'll tingle
all your troubles away
Everybody's waitin' for the man
with the bag
Christmas is comin' again

He's got a sleigh full
It's not gonna stay full
He's got stuff to drop at every
stop of the way
Everybody's waitin' for the man
with the bag
Christmas is comin' again

He'll be here
With the answer to the prayers that
you've made through the years
You'll get yours
If you've done everything you should
Extra special good
He'll make this December
the one to remember

The best and the merriest
you ever did have
Everybody's waitin' for the man
with the bag
Christmas is here again

Old Mr. Kringle is soon gonna jingle
all the bells that'll tingle
all your troubles away
Everybody's waitin' for the man
with the bag
Christmas is here again

He's got a sleigh full
And it's not gonna stay full
He's got stuff he's droppin'
every stop of the way
Everybody's waitin' for the man

You'll get yours if you've done
everything you should
extra special good
He'll make this December
the one to remember
The best and the merriest
you ever did have
Everybody's waitin'
They're all congregatin'
Waitin' for the man with the bag

SLEIGH RIDE

Just hear those sleigh bells jingle-ing
Ring ting tingle-ing too
Come on, it's lovely weather
For a sleigh ride together with you
Outside the snow is falling
And friends are calling "You Hoo"

Come on, its lovely weather
For a sleigh ride together with you
Our cheeks are nice and rosy
And comfy cozy are we
We're snuggled up together like two
Birds of a feather would be
Let's take the road before us
And sing a chorus or two
Come on, it's lovely weather
For a sleigh ride together with you
Just hear those sleigh bells jingle-ing
Ring ting tingle-ing too
Come on, it's lovely weather
For a sleigh ride together with you
Outside the snow is falling
And friends are calling "You Hoo"
Come on, its lovely weather
For a sleigh ride together with you

SO THEY SAY IT'S CHRISTMAS

So they say it's Christmas time again
The calendar says December
but it's wrong
Cause Christmas is the time
When lovers pray divine
And people are meeting
And two hearts are beating

So they say it's Christmas time,
I know
But I'll just keep pretending
until they go
Cause if they say it's Christmas
I'll think you're here with me
if they say it's Christmas time again

I wonder when your Christmas card
will come
I'll bet it's that same old winter one
Where people are happy

And full of that joy
The spirit of giving and loving
and living

So you know when Christmas
rolls around
I just can't help but feeling
kinda down
Cause you're my Christmas time
You're who I'm thinking of
When they say it's Christmas time
my love
It's Christmas time

So you know when Christmas
rolls around
I just can't help but feeling
kinda down
Cause you're my Christmas time
The one I'm thinking of
When they say it's Christmas time
my love
My love
It's Christmas time my love
It's Christmas time my love

O HOLY NIGHT

O Holy night
The stars are brightly shining
It is the night of the dear
Savior's birth
Long lay the world
in sin and error pining
'Til He appeared and the soul
felt its worth
A thrill of hope,
the weary world rejoices
For yonder breaks
a new and glorious morn
Fall on your knees
O hear the angel voices
O night divine
O night when Christ was born
O night divine

O night when Christ was born

Led by the light
a faith serenely beaming
With glowing hearts
by His cradle we stand
So led by light
of a star sweetly gleaming
Here came the wise men
from Orient land
The King of kings
lay thus in lowly manger
In all our trials born to be our friend
Fall on your knees
O hear the angel voices
O night divine
O night when Christ was born
O night divine
O night
O night divine

Truly He taught us
to love one another
His law is love
and His gospel is peace
Chains shall He break
for the slave is our brother
And in His name
all oppression shall cease
Sweet hymns of joy
in grateful chorus raise we
That all within us praise
His holy name
Fall on your knees
O hear the angels' voices
O night divine
O night when Christ was born
O night divine
O night divine
